FEATURES

Work coverall made from robust Massaua fabric, offers high wear resistance and natural comfort thanks to its 100% cotton composition. Massaua fabric, known for its compact and durable structure, is ideal for intensive professional use, ensuring breathability and a comfortable fit even during long workdays. Its 6 pockets make it extremely functional and practical, allowing essential tools and items to always be within reach during work. The elasticated back waistband allows for freedom of movement and an ergonomic fit for the operator during work activities. The shoulder area reinforced with triple stitching, double stitching, and contrast bar tacks ensure greater mechanical resistance and durability over time, making the garment reliable even under intensive use conditions. The two-way zip closure makes the overall practical and easy to wear.
